COURT OF HONOR AWARDS CAPTURED BY LOCAL SCOUTS

Scoutmaster Stickney's Troop No. 1 Wins Highest Award In Baldy Council

Scout troops of Upland returned home from the Court of Honor at Pomona Tuesday evening loaded down with honors and awards given them on the basis of their service for 1937. The Old Baldy council held its meeting this week in observance of "Scout week," which commemorates the 28th anniversary of the founding of the organization in America.

Troop 1, Upland, was awarded the George H. Thomas memorial trophy for having the highest rating among the troops of the entire council for the past year. Scoutmaster Harold J. Stickney received the handsome trophy in behalf of his troop, which was given the Standard A rating.

For citation of achievement, Scoutmaster Paul F. Schowalter's Troop 3 was presented with the President Baum award, and also earned a Standard A rating.

Alta Loma's No. 1 is another Standard A troop with its leader, Glen Dellenbach, winning the scoutmaster's key in recognition of having completed the five-year training program for scoutmasters.

Darwin Anderson, member of Upland Troop 1, was one of eight Scouts in the entire council to receive the Eagle award, the height of achievement in scouting. From Mr. Stickney's group, palms were given to Bill Stickney, Clegg Betz, Masato Okamoto, Kayonaga Okamoto, and Tom McClellan.

Richard Clark was the only Uplander to get a Life badge, while his fellow members in Troop 1, John Anderson, Alan Goodban, Jim Kendall, got Stars. Five members of Troop 3 also earned the Star award. They are: Jim Benson, Donald McMasters, Lyle Murkins, Donald Rogers, Deane McMasters.

For first-class badges Joe Hadzima was the only Troop 3 Scout to get one. Others were Crawford Anderson, Henry Dahms, Glenn Teague, Jack Kramer, Dale Hewlitt and Paul Huebner, all of Upland Troop 1. There were a number of second-class medals given out.

From Troop 3, Jim Atwood, Don Meredith, Ned DuVall, Jim Pharaoh and Howard Rowe became second class. The Troop 1 representatives were Dean Anderson, Howard Drake, William Roberts, Charles Grothe, Gene Leete and Lowell Hayes. Five-year veterans were Kiyonaga Okamoto and Harold Salisbury of the same troop.

Merit badge awards went to the following: Troop 1 — Richard Clark, Henry Dahns, Edgar Pierce, Alan Goodban, Jack Kramer, Darwin Anderson, Jim Kendall, John Anderson, Dale Hewlitt, Tom McClellan, Harold Sales, Glen Teague, Ralph Angle, Richard Bice, Paul Huebner, and Crawford Anderson.

Troop 3—Tom DuVall, Hugh Hostetler, Don Meredith, Howard Roberts, Donald Roger, Joe Hadzima, Lyle Murkins, Donald McMasters, Jim Benson and Deane McMasters.

Troop 4 of Upland, under the direction of Earl E. Hawthorne, was also in attendance at the court. Other troops present from this locality were from Ontario, Cucamonga, Alta Loma, Fontana, Chino and Etiwanda.

Alta Loma - Cucamonga Honored

The three Boy Scout troops of the Alta Loma-Cucamonga district participated in the court of honor, Alta Loma troop No. 1, Glenn Dellenbach scoutmaster, winning distinction with its group of Eagle Scouts. Of the eight who received the Eagle Scout badge, four were from the Alta Loma troop. They are Eugene Allen, Vernon Broersma, Jack Perdew and Jack Titterington. The mothers of the boys had the pleasure of pinning on the new badges.

Mr. Dellenbach was one of the two scoutmasters receiving special recognition, being awarded the scoutmaster's key, signifying profeciency in his work. He also was awarded the honor emblem for length of service and attainment of merit badges.

Due to an error in arrangement of names, Bob Nesbit of Cucamonga Central troop No. 1, Ralph Westerberg scoutmaster, did not receive his second and first class awards, which he had fully earned. The awards will be made in a special court of honor to be held by his troop.

Ralph Westerberg, scoutmaster; Robert Nesbit, Sr., and the Rev. Wm. A. Tieck, troop committeeman, were present.

Ralph Voyan, scoutmaster of Cucamonga troop No. 2, of the South Cucamonga school, received the President Baum award for his troop for new members secured.

Income Tax Man To Be In Upland February 14-16

To assist those in this district who wish advice and instruction in making out their income tax returns a deputy collector of internal revenue will be at the Upland chamber of commerce from Monday to Wednesday, Feb. 14-16. Following these dates he will be at the Ontario chamber of commerce office in the city hall Feb. 17 to 21.

The final date for filing returns without penalty is March 15 and the importance of filing returns early in order to avoid paying penalty is stressed by Nat Rogan, collector of internal revenue. Taxpayers are warned that failure to receive blanks by mail does not relieve any person from delinquency penalties.

All single persons, regardless of the number of dependants, who earned a net income of $1,000 or more in 1937 must file returns. Similarly, all married persons who lived together during 1937 and whose combined net income was $2,500 or more must file returns.

Special emphasis is given to the regulations which require all persons with a gross income of $5,000 or more in 1937 to file returns without regard to their marital status, number of dependants, or actual net income.

Federal income tax returns must be filed in the district in which the taxpayer's residence or principal place of business is located.

A representative of the state income tax division will also be at the Upland chamber of commerce office next Monday to assist those who desire help in making their returns, there being no charge for these services. The California personal income tax law requires that reports must be filed not later than April 15.

CAPACITY CROWD APPLAUDS CHOIR

Blakeslee Program Receives Great Ovation—Paul Leos Proves Outstanding

Many residents of this community were turned away last night from the most successful and entertaining a cappella choir program ever heard in the Chaffey junior college auditorium or any other part of the valley. Over 800 people packed the auditorium to heartily applaud the efforts of S. Earle Blakeslee's Chaffey a cappella organization.

Flowers were presented at the close of the evening to Director Blakeslee and to each soloist who performed on the program.

"Tell Me Where Was You?" arranged by Noble Cain, musical director of the National Broadcasting system, was received most enthusiastically by the large audience, which included residents from distant points like Los Angeles, Beaumont and Banning.

Paul Leos, baritone soloist from Cucamonga, rendered such an outstanding performance in his song, "Te Quiero Dijiste," that he was called back by the crowd to give an encore. "Drink To Me Only With Thine Eyes" and "Sands O' Dee," both musical arrangements made especially for the Chaffey choir by Director Blakeslee, were request numbers and received generous applause.

Despite the popularity aroused and the large number of requests made by residents of the district for a repeat performance soon, no action has yet been taken in regard to giving another concert. However, the same program with the exception of the harp solo, will be presented in the Fontana auditorium next Wednesday night at 7:30.

Girl Scout Leaders And Executives In Palisades Meeting

The Girl Scout organizations of the Chaffey district were well represented at the recent conference held at Pacific Palisades. The first sessions of the conference were held for council members, 168 being present from 37 councils.

Members of the Chaffey district council attending were Mrs. Earl H. Johnson, president; Mrs. Frank Phillips, Mrs. Alan A. Couch, Mrs. John Hooval, Mrs. George West Barrett, Mrs. Howard M. Shattuck, Mrs. Myron Harris, Mrs. E. J. Sandford, Mrs. Frank K. Nichols and Mrs. Wm. F. Rugg.

For the latter part of the conference 300 leaders gathered from 30 communities, those from the local group being Mrs. Loren Ratekin, Mrs. Henry Garrett, Miss Margaret Garrett, Miss Mary Frances Flinn, Mrs. Evelyn Loch, Miss Muriel Brown, Miss Ethel McCorkindale, Miss Helen Gillard, of the Chaffey community, and Mrs. Horatio Morgan of Claremont. Mrs. Syble Gordon Newell, from national headquarters of the field division of Girl Scouts in New York, was one of the speakers. Mrs. Newell is on her way to Hawaii for a visit.

REYNOLDS ISSUES WATER COMPANY ANNUAL REPORT

Operating Expense Less Last Year—Less Water Boosted Than Past Ten Years

The annual meeting of the San Antonio Water company will be held Saturday, Feb. 26, and the report A. C. Reynolds, secretary-manager, is making to the stockholders is an interesting one. For instance, it shows that the operating expense the past year was about $20,000 less than in 1936; also that the indebtedness was reduced $40,000 during 1937, which brings about a smaller amount of interest payments. Total assets of the company are shown to be $1,543,640.96, making it one of the largest companies in this district.

In his report Mr. Reynolds says: "The past irrigation season was less than the average in length—beginning about May 1, and ending Dec. 10. The rainfall for the winter of 1936-37 and the summer stream flow was the largest since 1922.

"Approximately 9,000 acre feet from Cucamonga canyon and 6,000 acre feet from San Antonio canyon were conserved in the Cucamonga basin by means of the spreading works. This caused the water levels in the wells to rise about 50 feet.

"The water levels in the western half of the Chino basin were 3 to 4 feet lower than during the previous season.

"The gravity supply this year was 72 per cent of the total, as compared with a normal of approximately 50 per cent.

"During the past ten years the electric power has averaged $35,436.00 per year, but this past season was $11,827.00."

There was less water boosted the past season than in any season during the past ten years and due to the unusual amount of gravity water the directors reduced the water rate from .40 to .30 per day inch, subject to discount of 10 per cent for prompt payment. A refund of .12 per day inch on all water used during 1937, amounting to $29,795.95, was paid in December.

In his report Mr. Reynolds gives the annual average rainfall for the past 31 years as 31.41 inches per year. Record from 1932 to 1938 is as follows: 1932, 39.93 inches; 1933, 20.74 inches; 1934, 25.96 inches; 1935, 38.88 inches; 1936, 28.07 inches; 1937 to Feb. 4, 28.07 inches; 1937, 51.91 inches; 1937 to Feb. 4, 29.83 inches; 1938 to Feb. 4, 18.17 inches. This record was for rainfall to July 1 of each year and is taken at the Sierra power house in San Antonio canyon, elevation 3150 feet, and is a better index of the stream flow than measurements taken in the valley, says Mr. Reynolds' report.

County Chamber Commerce Meeting In Fontana Tonight

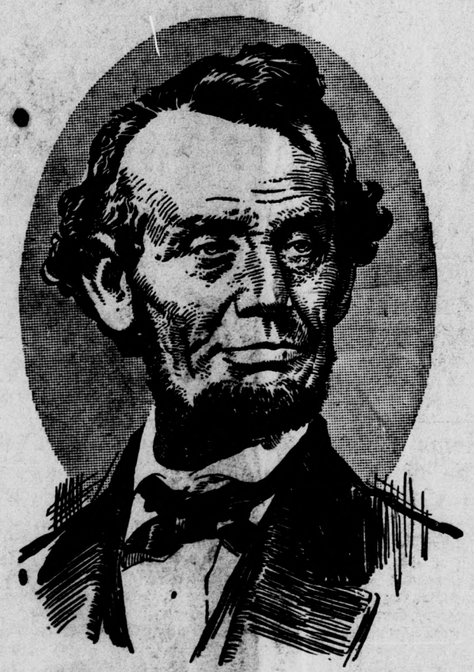
The share of California counties from the state motor vehicle fees collected last year by the state department is $3,793,791.

These are apportioned to the various counties in proportion to their registration. San Bernardino county, with a total fee paid registration of 69,865 motor vehicles, receives $90,865.

Los Angeles county, with a registration of 1,076,025, received $1,553,567, and Alpine county, with the lowest registration, 134, received $193.

The state department of public works received $3,793,791, the same amount as the counties.

Preserver of The Nation



LINCOLN'S GETTYSBURG ADDRESS

Fourscore and seven years ago our fathers brought forth upon this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battlefield of that war, we have come to dedicate a portion of that field as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this. But in a larger sense we cannot dedicate, we cannot consecrate, we can not hallow this ground. The brave men, living and dead, who struggled here, have consecrated it far above our power to add or detract; the world will little note, nor long remember, what we say here, but it cannot forget what they did here. It is for us, the living, rather to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us, that from these honored dead we take increased devotion to that cause for which they gave the full measure of devotion; that we hereby highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, and for the people, shall not perish from the earth.

PATRIOTIC ESSAY ORATORS COMING

Three Counties To Be Represented at District Contest Here Wednesday

An event that should be of interest to the general public will be a patriotic essay contest to be held at the Merton E. Hill auditorium at Chaffey junior college next Wednesday evening. This is a part of the Americanization program of the American Legion, in which the Constitution is the topic of the orations of all contestants. Eliminations are under way in the Fifth area, which includes all counties in California south of Los Angeles county.

Three counties will be represented by contestants at Chaffey next Wednesday—two each from Orange, Riverside and San Bernardino counties. Leslie Standlea of Upland, winner in the Chaffey district, is one of the San Bernardino county representatives. His subject is "Make Ours a Living Constitution." Standlea won second place in the county, a San Bernardino girl winning the decision over him for first place, she being the other contestant from this county in next Wednesday night's competition. The many friends of Standlea are hoping he will land in first place at that time.

James Galanis of Ontario, the American Legion's district Americanism chairman, will preside at the contest. The public is invited to attend.

Upland Dairies Rank High in Month's Test

The report of the San Bernardino County Cow Testing association for the month of January, C. V. Beekman tester, gives Allura Farm Dairy of Upland highest rating for herds of 91 cows and over with a herd average of 39.5 pounds of butterfat per cow.

Shady Grove Dairy, Upland, had the highest five-cow record with an average of 98 pounds of butterfat per cow. Allura Farm Dairy was fifth in same class with an average of 92.3 pounds.

OFFICERS CHOSEN IN HIGH SCHOOL

Ernest Fischer Closes Term—Juniors Name Kiyonaga Okamoto Treasurer

With Seniors casting their ballots today in history classes, all four classes in Chaffey high school have completed their respective nomination and election of officers for the second semester. Ernest Fischer of Upland, who has acted as treasurer during the first term, is one of the retiring senior officers.

In the junior class election held Tuesday, Margaret Sanders defeated John Chapman for the presidency. George Spencer won over Dick Latimer for vice-president, and Raymond Powell captured the office of secretary.

Kiyonaga Okamoto, another Uplander, was selected by the students to the position of treasurer for the junior class.

Sophomores hold no election during the second term, according to their constitution, so the following still serve: Paul Hofer, president; Carlton Appleby, vice-president; Enid Holmes, secretary, and Jack Feeney, treasurer.

The freshmen did not have officers during the first semester, so their election last week was the first. Those chosen to head the class affairs are Hugh Curtis, president; Georgia Coleman, vice-president; Carolyn Wise, secretary, and Betty Hull, treasurer.

Standlea, Franklin At Executive Meet

Leslie Standlea and John Franklin are in Fresno today attending the state executive meeting of the Future Farmers of America, as delegates from the Chaffey chapter. Standlea was appointed to represent this district at the Southern California convention, held at San Fernando last Saturday. John Chapman and Rene Malaise also attended the Southern California meeting, at which Standlea presided as regional president.

Charles Perrin, Harry Alter and Archie Moore accompanied the three delegates to San Fernando and later attended the agricultural teachers meeting in the afternoon.

DRAPER DECLINES TO BE CANDIDATE FOR CITY COUNCIL

Terms of Mayor Cameron and A. H. Johnson Expire—Roy Sachs Candidate

That the coming city election is beginning to get some attention is made evident by the fact that Roy Sachs this morning filed his nomination papers as a candidate for city council. Mr. Sachs resides in the district last annexed to the city of Upland and was very active in working for the annexation project.

Terms of three members of the council expire this year—Mayor Cameron, A. H. Johnson and Fred E. Draper. When questioned by The News as to whether they would be candidates for re-election their replies were:

Fred E. Draper a positive "no."

Mayor Cameron had "no statement to make."

A. H. Johnson "undecided."

Many will regret Mr. Draper's decision, as he has been an efficient member of the council during the one term of four years he has served.

Likewise Mayor Cameron is a good official and is serving his first term. Mr. Johnson will have finished 24 years of continuous service on the city council, eight of which he was mayor of the city.

In all probability there will be a demand on the part of many that they again be candidates for the responsible positions they hold.

The date of the city election is Tuesday, April 12.

Ninth Graders Beat Younger Brothers In Casaba Contest

Eighth and ninth grades of Upland junior high engaged in a class feud on the basketball court yesterday afternoon, with the ninth grade boys finally winning out, 18 to 14. Plans are to bring these teams together again some time next week prior to the ninth grade-Chaffey freshman game on Thursday.

Coach Dean's boys were pressed most of the way, but finally finished with four points to spare. Mr. Camfield's eighth graders proved plenty tough and are anxious to get back at their older brothers.

Lineups were as follows:

Ninth Graders—Wayne Malendrez, Bill Standlea, Bruce Barnes, Masato Okamoto, Ray Davis, Donald Detmers, Howard Mitchell, Darwin Anderson, Charles Lomsee, Tom McLellan.

Eighth Graders—Larry Mertz, Keith Gingerich, Dale Hewett, Virgil Blanton, Thurman Baker, Bob Richards, James Hogan, Harold Wingerd, Jimmy Benson, Don McKeen, Kenneth Smith, Richard Eden.

Baptist Minister To Be Installed At Church on Sunday

Rev. Paul V. Goodwin, the new pastor of the First Baptist church in Ontario, will be installed in that church at 3:30 Sunday afternoon. Dr. F. J. White will act as moderator for the service of installation and the Rev. D. G. Cowles of San Bernardino will deliver the sermon.

Others who will take part in the order of service are the Rev. Archie Greene, Temple Baptist church; the Rev. Dr. Floyd A. Beckwith, the Rev. Herschel R. Griffin, the Rev. Arthur F. Ritchie, president of the Ministerial union; Dr. Otto S. Russell, the Rev. Frank Kepner of Pomona, and the Rev. Paul V. Goodwin. Several musical numbers will be included in the service. The public is invited to attend.

Dr. and Mrs. Foster Home From Visit

Dr. Bert Foster, pastor emeritus of St. Mark's Episcopal church, and Mrs. Foster arrived home on Tuesday after having been away from Upland about seven weeks.

They spent some time with their son, Bert Foster, Jr., in Sacramento, going from there to Oakland for a visit at the home of a sister of Mrs. Foster. Their last visit was at Pacific Grove, near Monterey, where they spent some time with friends.

Cow Gives Birth To Seven Legged Calf; Stepped On

A freak of nature was revealed today in the birth of a seven legged calf born to a cow belonging to a student at Chaffey high school, Adolph Garcia. Young Garcia is a member of the Future Farmers of America chapter at the local institution and his project is dairying.

The freak calf was one of a pair of twins born three days ago. The freak had four rear legs and three in front. This morning the mother stepped on the seven legged calf and crushed it to death. Previous to that time it was apparently in good health and doing well.

Charles Perrin, head of Chaffey Agricultural department, has offered the little dead animal to the Los Angeles museum and states if they do not wish it, anyone else requesting it may have it.

Harry Brown Will Speak at Bethany Church on Sunday

Harry Brown, on furlough from India, where he teaches in a mission school, will occupy the pulpit at Bethany Union church on San Antonio Heights during the regular service Sunday afternoon.

In the evening at 7:15 he will address a joint session of the two Christian Endeavor societies, showing stereopticon pictures of mission life in India.

Many persons in Upland will be interested to know that Mr. Brown is a brother of the late Dr. Chauncy E. Brown, missionary to China, who was killed in an automobile accident while on furlough in this country.

SCHOOL CHANGE IS ACTIVELY OPPOSED

Patrons of Eighteenth Street School Preparing To Petition Board

Resulting in a clearer understanding of the viewpoint of the parents and of the Upland board of education, an open discussion of the proposed consolidation of the Eighteenth Street school with the Fannie D. Noe school was held last night at the meeting of San Antonio Heights Community League.

The meeting was held in the school building, the hall being filled with interested patrons and members of the school board.

Dr. Chas. B. Taylor, president of the League, presided, and in opening the meeting stated the League had invited the school patrons and the board members to discuss their difference of opinion, but asked that no action be taken during the meeting, since the League is remaining neutral.

However, it was learned this morning that residents of that school district are planning to circulate a petition protesting the recent decision of the board to eliminate the Eighteenth Street school.

During the meeting last night the members of the school board, Mrs. Hjalmar Anderson, president; Frank K. Nichols and Howard Mason, and Harold W. Cook, superintendent of Upland schools, explained their purpose in consolidating the schools and a large number of the parents voiced vigorous opposition to the change.

The parents present were practically unanimous in their opposition, only a few expressing approval of the consolidation. However, to secure the definite opinion of those parents in the district who were not present, it is suggested that a petition be circulated, the board members having agreed to consider such a petition should one be presented to them.

Definite action concerning the circulation of a petition is expected to be taken by the first of next week.

Pre-Sale of Orange Show Tickets Begins

Tickets for this year's National Orange Show in San Bernardino have been received by Mrs. Adelaide Plum, assistant secretary at the Upland chamber of commerce, and are ready for local distribution. The tickets to this annual affair, which is scheduled for March 17 to March 27, may be obtained during this pre-sale at a cost under that which will be charged during the show.

MERTZ PRESIDENT FUMIGATION AND SUPPLY COMPANY

Alter Resigns at Annual Meet —Bradley New Director —Membership 400

That the Cooperative Fumigation & Supply Co. is one of the large and going concerns of this district is apparent by the activities of the company, which held its annual meeting in the Upland Woman's club house on Tuesday morning.

There are about 400 stockholders in the organization and they are owners of about 5,000 acres of citrus property. Secretary-Treasurer Lynn S. Birdsall stated there were approximately 7,700 acres of fruit treated last year, about 900 acres of which were fumigated, 2,600 acres sprayed for scale, 2,000 acres dusted and the balance were given miscellaneous spraying for minor pests.

Busiest season of the year for these operations extends from Aug. 1 to Nov. 1, and 75 to 80 workmen are employed regularly most of that time.

At the meeting Tuesday various reports were given stockholders present and Dr. Boyce of the California experiment station at Riverside gave interesting and instructive talks on thrip and the red spider, he being authority in his line of work.

E. R. Alter, who has been president of the Cooperative Fumigation & Supply Co., tendered his resignation due to his advanced age of about 80 years, which was accepted with regret. Mr. Alter has rendered efficient service as a director of the company for 22 years and has served as president since the death of T. M. Nisbet about four years ago. W. M. Mertz, another member of the board, was elected president to succeed Mr. Alter, thus insuring continued excellent leadership for the concern.

Terms of four other directors besides Mr. Alter had expired. L. R. Bradley was elected director to succeed Mr. Alter and the four directors re-elected are F. E. Wilcox, who was chosen vice-president; G. G. Laidlaw, E. A. Dart and W. M. Vogel.

Ralph J. Moon will continue as manager for the company, which is one of the older organizations of the territory, having been organized in 1911.

Miriam Settle Wins Junior High Speech Contest on Lincoln

Miriam Settle, ninth grade student, won first prize of $5 in the annual Lincoln oratorical contest held this morning in the Upland junior high assembly. In addition to the cash award, Miss Settle's name will be engraved on the school plaque.

Her winning speech was titled "Characteristics That Made Abe Lincoln Great." Owen Alderfer was voted second best by the judges and received $3 for his essay, entitled "Death of Lincoln."

The third and last prize of $2 in cash went to Alan Goodban, who spoke on the same topic as Owen Alderfer. The other two finalists who competed this morning were Eleanor Farmer and Alice Rose Wilson.

Jack Rea, president of the 20-30 club, who sponsored the contest, presented the awards. At the beginning of the program this semester's student body officers were installed.

Peace Officers Are Entertained by Elks

The Elks lodge was host to a large number of peace officers at its meeting in Ontario last night, the special guests being treated to a splendid dinner and good entertainment, the dinner being prepared under the direction of Assemblyman Godfrey Andreas.

Privileged to participate in the event were eight officers from the sheriff's office in Los Angeles, including Undersheriff Capt. Jewell and Chief Civil Deputy Gilman, and Mr. Johnson from the Los Angeles district attorney's office. Present from San Bernardino were Sheriff Emmet Shay, Undersheriff James Stocker and five others.

Local officials enjoying the festivities were Chief of Police E. C. Mehl, Deputy Sheriff Jack Brown and Constable Sam Barker.

TODAY'S BIBLE VERSE

And he said unto them, The sabbath was made for man.—Mark 2:27.

Think It Over

There has been much written cautioning the motorist to be careful in his driving. In all probability such warnings have been heeded by many and as a result there are less cripples than would otherwise be going around on crutches or perhaps helpless—also the number of deaths is probably less by some thousands. Thoughtlessness must be the main cause of automobile accidents—therefore drive carefully and save lives.

The best contribution we have read along this line is the following article by George Malcolm Smith and printed in The Travelers Protection:

"I saw you barely miss a little boy on a tricycle this afternoon and heard you yell, 'Get the hell out of the way! Don't you know any better than to ride in the street?' He didn't answer because he hasn't learned to talk yet. So I'm going to answer for him.

"No, the little boy doesn't know any better than to ride his tricycle in the street. He has been warned not to, but little boys don't always heed warnings. Some adults don't—especially traffic warnings; for example, the one limiting the speed of automobiles in city streets.

"I'm going to tell you something about that little boy: He has a mother who endured considerable inconvenience, anxiety, and suffering to bring him into the world. He has a father who has worked hard and made many sacrifices to make him healthy and happy. The supreme purpose of their lives is to have their little boy grow up to be a useful and prosperous man.

"Now stop a minute and think. I know your minutes are valuable and I know it will be hard for you to think. But try. If you should kill a child how would you feel facing its parents? What excuse could you give them for having robbed them of their dearest possession? More important: What excuse could you possibly offer Him whose kingdom is made up of little children?

"Children, my hasty friend, were here long before you or your automobile were ever thought of. All the automobiles on earth are not worth the life of one little boy on a tricycle. Any competent garage mechanic can put a car together, however badly it's smashed, but nobody on earth can put a child together once its life has been crushed out. We don't know what that little boy may some day be. But we know what you are, and it's unimportant. We could get along without you, but we can't spare a single little boy on this street."

Little Business Tells President

It is quite certain that the President did not expect such a stormy session at the recent conference with "little business men" of the nation. Be that as it may, it was made emphatically plain to him that little business—as well as big business—is on the warpath against his attitude toward them; that there is very little difference between the attitude of the two toward the policy of government toward business. The problems of both are practically the same—when big business feels the wallops handed it by government so does the little fellow. As has been pointed out, little business has greater worries over governmental red tape than the big organization—for the latter has resources to hire auditors, lawyers and lobbyists, while the little business man must look after all details himself because his business will not permit him to hire the extra help and meet the expense it would entail. The program presented to the President by little business is very much the same as that of big business—opposing "unwarranted and malicious attacks on business by administration representatives," and "further undue government interference," urges repeal of the undistributed profits tax and modification of the capital gains tax, demands that employers and employes "be held responsible for the execution of labor agreements," and charges that the Wagner labor act as administered "is unfair and detrimental to business and discourages reemployment." The resolution also asks curtailment of public expenditures, balancing of the budget, abolishment of further tax-exempt securities, equalization of taxes for all federal, state and local governmental employes, and a "buy American" campaign.

This sounds like "little business" is no less reactionary than "big business" when it comes to unnecessary and detrimental interference with its affairs—which naturally result in detriment to the country as a whole and only keep the return of prosperity in the offing.

California physicians have launched an attack against the "startling" costs and methods at the Los Angeles General hospital—and demand a grand jury investigation. They allege that costs are higher at the county institution than at most private hospitals. The matter was brought out into the open by Dr. George H. Kress, president of the Los Angeles County Medical association and editor of California and Western Medicine, official journal of the California Medical association, in an article in the current issue, in which it is declared county hospital costs are "little less than stupid and outrageous." Specifically the doctor declares that while Los Angeles physicians are donating each year $2,000,000 worth of their services to a supposedly free institution maintained for the poor and needy, each patient is being billed at a rate higher than he would pay in the ward of a private hospital. Dr. Kress cited as an example the billing of one family for $215.40 for a stay of twelve days by the mother of a new born child at the county hospital, $136.50 of which was for use of the operating room during a Caesarian operation, while about the same time the attending physician had a similar case at another hospital and the operating room cost was $12.50. Scandals in the "big city" are numerous these days—and if such things creep into such an honorable profession as the physicians and surgeons it is doubly regrettable.

Things are popping in Los Angeles—and one bad thing about the situation is that law enforcement officials are divided. It does not look so good when the chief of police and district attorney are opposing each other. Apparently there is going to be a real show-down and it appears likely that some exposures are about to be made that will place policemen and perhaps others in a very bad light. If rottenness is prevalent among law enforcement agencies our neighbors of the metropolitan city ought to know it—and see to it that things are cleaned up.

An organization is still working on the proposition of having the year changed to thirteen months. Just as though twelve months aren't enough, the condition things are in.

BOOK REVIEWS ARE OF UNUSUAL VALUE

Mrs. Clapp Presents Study of Earhart—Mrs. Kipp Will Speak March 4

A program of exceptional interest was presented during the monthly free library book review on a recent evening in the Sarah Temple junior library room, Mrs. Fred H. Clapp of the Chaffey library being the guest reviewer.

Before presenting Mrs. Clapp, Mrs. Geo. W. West, assistant librarian, who conducts the reviews, spent several minutes pointing out the most outstanding books in the group added to the library shelves for February, telling briefly the nature of their contents.

A revealing character study of Amelia Earhart was presented by Mrs. Clapp in her comprehensive analysis of three of the late aviator's books. Two of the books were written entirely by Miss Earhart. The third volume, reviewed originally, was planned under the title of "World Flight," but after the flyer's disappearance at sea during that flight, her notes on the venture up to the time of its tragic end, were compiled under the title of "Last Flight."

Mrs. Clapp's able review of the three books would have made an acceptable program for any audience.

Mrs. West concluded the evening with instructive and very interesting reviews of several of the library's new books, including "400 Million Customers in China," by Carl Crow; "Great American Family," by Lee Shippey, and "Winter in April," by Robert Nathan.

The next public review will be held on Friday evening, March 4, with Mrs. Alfred R. Kipp as guest reviewer and speaker. Mrs. Kipp, a well informed student of international affairs, is particularly interested at this time in the relations between the United States and the nations of Central and South America, and she will select as her subject for the March 4 review some phase of the work being done by the Pan-American Alliance.

Cars Entering State Average Two a Minute For Record Last Year

Entering the state in a steady stream at an average rate of about two cars each minute of the year, motor tourists established new records for California during 1937.

Final tallies revealed that 946,434 passenger cars with 2,588,435 passengers entered the state at the various border stations during 1937.

Southern California played host to a banner number of out-of-state motorists, showing a 10 per cent increase over 1936. An estimated total of 668,174 visitors entered the state through the five Southern California border quarantine stations of the state agricultural department, exceeding the number entering at the remaining 18 stations in northern and eastern California.

June, July and August were the favorite vacation months for eastern and northern visitors while California motorists returned from vacation trips in greatest numbers during July, August and September.

County Relief Costs Reduce Tax Revenue

The quarterly allotment of the state gasoline tax has been received by San Bernardino county, the amount being $55,325. From the current allocation there was deducted $39,377 to reimburse the state for loans made to the county in 1933 and 1934 for emergency relief activities. The total amount allocated to the county before the deduction was $94,702.

During the period of emergency relief, San Bernardino county borrowed $594,745 from the state which will be repaid over a 10-year period.

Harry B. Riley, state controller, said in allocating the money, that the state bond act of 1933, which made possible the granting of relief loans to counties throughout the state, requires that gasoline tax funds be withheld if repayment is not made in some other manner.

The tax money is apportioned to the counties on a basis of automobile registrations. The allocation to the county was based on a registration of 63,603 automobiles.

The apportionment of $4,085,245 made to the 58 counties for the quarter ending Dec. 31 is the largest in the history of the gasoline tax, said Mr. Riley. From this amount $1,526,606 was withheld. The sum of $8,170,491 went to the state highway fund before the county distribution was made.

Items Taken From The News Files of 14 Years Ago, 1923

Hjalmar Anderson, formerly owner of the Junction store on Euclid avenue below the Pacific Electric tracks, is today owner of the grocery department of the Upland Public market, having purchased the business from Walter Moore of Moore's grocery in Ontario.

In keeping with the rest of the United States, Upland business houses were closed Wednesday from 12:30 to 1:30 in observance of the funeral service held at that time in Washington, D. C., for ex-President Woodrow Wilson. Appropriate services were held in the public schools.

Mr. and Mrs. Roy Carnall and family arrived Monday from Bowie, Ariz., and will make their home here until the end of the school year. They are occupying the Paul Schowalter home on East Twelfth street.

J. L. Grahame has sold to Mrs. Leavenworth Wheeler a lot on Euclid avenue north of St. Mark's church. Mrs. Wheeler plans to erect a duplex home on the lot.

Dr. A. W. Black and Dr. Mary Black of East Tenth street, attended the banquet given at the Alexandrie hotel in Los Angeles last evening for Dr. D. J. Palmer and Dr. Mabel Palmer of the Palmer School of Chiropractic in Davenport, Iowa.

Mr. and Mrs. Elmer Huff and family left today for Fresno, where they will reside. They sold their home on First avenue to O. D. Gunstream.

Honoring Mrs. Hugh H. Crawford, a recent bride, and Miss Eva Hamilton of Toleda, Ohio, cousin and house guest of Mrs. A. H. Bridge, Mrs. Bridge entertained with a tea Wednesday afternoon at her home on Carnelian avenue.

Picturesque and historic old ranch property of the Chino Land & Water Co. at Chino has been purchased by a group of Los Angeles and Long Beach sportsmen and will be converted into a country club, to be known as Los Serranos. William Jennings Bryan also has purchased a tract in the hills near Chino.

The city council is having tests for water made on the 20 acres of land west of Mountain avenue and north of Twenty-second street, that the city recently purchased from T. W. Nisbet.

Judge George R. Crane and the city police officers, C. H. Haughs, Frank Freeman, L. E. Kronmeyer and R. Craigmiles, will attend a luncheon conference to be held at the Chocolate Palace in San Bernardino tomorrow by justices of the peace and officers of the law from all parts of the county.

Byron Lathrap, banker of Salt Lake City, is the guest of his aunt, Mrs. Alice Erixon, on East Ninth street.

Mrs. Ella Rose of Chicago, who has been the house guest of Mr. and Mrs. Paul for the past week, will leave tomorrow for Los Angeles to visit for a time before returning to Chicago.

G. A. Hanson has offered a prize of $5 for the best dozen pure white roses entered in the flower show to be held here in May.

Eddie Loos, famous golf player and second in the recent California open championship matches, played the Red Hill golf course yesterday as the guest of his friend, Charles Puckett.

J. J. Jessup of Claremont, recently from Illinois, has purchased from Dr. W. H. Craig a 20-foot frontage on Second avenue, adjoining the Guy Clark building. Mr. Jessup plans to erect a building on the lot.

Boggy—You say you can't read or write. How did that happen?

Woggy—Well, you see it was this-a-way. I never went to school nohow only one day, and that was at night, and we didn't have no light, and the teacher didn't come."—Pathfinder.

10 Years Ago News Of Upland as Seen In The News Files

Purchase of the R. N. Leahy variety store, 271 Second avenue, and plans for a sweeping seven-day closing out sale to start tomorrow, were announced today by the new owner, I. Littenberg.

With J. Dabney Day, well known Los Angeles banker, as the speaker, members of the San Bernardino County Bankers association and their wives held one of the most successful meetings in their history when they assembled last night for dinner at The Sycamores. The First National bank of Cucamonga was host and the cashier, G. P. McCorkle, was chairman of the entertainment committee.

Dr. Clarence E. Gregg, new Upland dentist, was initiated into the Upland Lions club at the meeting held Thursday at The Sycamores.

Mrs. J. H. Gathercoal of Chicago, Ill., has arrived in Upland to visit with her son-in-law and daughter, Mr. and Mrs. Don E. Palmer of North Euclid avenue.

Miss Vera MacLaren and Miss Anna Voth, who are connected with the San Diego schools, will be guests this week end of Miss MacLaren's mother, Mrs. A. E. MacLaren.

Mr. and Mrs. R. N. Leahy motored to San Pedro Tuesday and met their daughter, Miss Lena Leahy, who arrived by boat from Seattle, Wash., where she spent the winter with her sister, Miss Kathleen Leahy.

Mrs. Peter Kaiser (Mae Nugent) of Little Lake, spent the week end here with her sister, Mrs. De F. L. Walton. Mrs. Kaiser formerly lived in Upland and was one of the founders of the Upland Woman's club.

Mr. and Mrs. Arthur Neff and daughter, Miss Marguerite Neff, of Los Angeles, spent several hours in Upland yesterday while enroute home from Riverside. The Neffs formerly lived in Upland and they met many of their friends while here yesterday.

Mr. and Mrs. Nicholas Close (Esther Hess) have moved from Twelfth street to 579 First avenue. Mrs. Close has been elected to a position in the Ontario junior high school, filling the vacancy created when Miss Eleanore Leahy resigned to go to Spain.

Mrs. W. E. Oswald and daughters, Una and Wanda, and Gladys Bowden will motor to Big Pines Sunday to enjoy the snow sports.

Miss Imogen Crane, member of the faculty of Miss Frances Barr's Colony school, is convalescing from a severe attack of influenza.

J. H. Hartzog, who has been employed for some time in Frank Mower's barber shop at 182 Second avenue, has purchased the business from Mr. Mower and will operate the shop under his own name.

Mrs. Milo Smith is off duty at Cornett's variety store this week on account of the illness of her son, Harry Smith, who is suffering with an attack of pneumonia. The young man is now improving.

P. H. McQuillen, J. N. Beaubier, W. E. Westland, Claude Bookwalter and Fletcher Manker are spending a 10 days outing in Death valley. Word comes from the valley that the Man in the Moon (Bill Westland) had to pull the Man in the Studebaker (Mac the Medicine Man) out of the desert sand. But according to the Man who knows (Charlie Puckett) it could not have been the fault of the Stude. A late wire to Mac's Trusty Crew from Bill Westland reads: "Please send ice immediately to keep Mac's Stude cool."

Tracy Morris (Cowboy Tracy) spent last week at Big Bear, supervising work being done at his resort, Gray's Camp, and assisting in entertaining members of the Los Angeles junior chamber of commerce, who held their mid-winter frolic there.

The first successful power flight of the Wright brothers in 1903 lasted almost a full minute.

Traffic Questions Answered Here

Q. Are amber colored headlights legal in California?

A. No. Not in any form.

Q. Can I use fog lights in substitution for my headlights? I see others doing it.

A. The law permits fog lights to be substituted for headlamps only in case of heavy fog or rain which makes the use of headlamps disadvantageous. Otherwise such use is illegal and a violation of several sections of the Vehicle Code. It is a dangerous practice.

Q. I am driving a truck carrying explosives. Do I have to stop at all railroad crossings?

A. Any motor vehicle carrying explosives (gasoline, dynamite, etc.) must stop at all railroad crossings, except where an officer is on duty and directs traffic to proceed or where a stop and go signal indicates traffic may proceed; or, in a business or residence district; or, at a spur track where official signs are displayed indicating a stop need not be made.

Q. An acquaintance, 17 years of age, was arrested for speeding and the Juvenile court judge sent his operator's license to Sacramento for revocation because it was his second offense in six months. Is that a matter optional with the courts, or made mandatory by law?

A. The vehicle code requires the judge to do as you have stated. He has no alternative.

Q. What is the cost to me should I lose one of my license plates Also where do I have one made?

A. The cost of a duplicate license plate has been set at $1 and can only be secured through the Department of Motor Vehicles.

Q. Is there any speed limit for vehicles passing through public parks when the highways pass through any public playground or by any public building or place of public assemblage?

A. The speed limit has been fixed at 15 miles per hour. Such zones are to be established by authorities having jurisdiction of such places.

Q—Please settle this argument: I contend that the law prevents police escorts from using sirens or driving at illegal speeds. Others in our interested group say this is not true as it would prevent needed right of way in certain cases.

A—Your contention is correct.

Q—With small 32 candle power bulbs in headlamps, what is the maximum candlepower developed? Several of us have made guesses and sealed them in envelopes awaiting your answer. Please give us the maximum as shown in the Vehicle Code.

A—Section 649 (g) reads: The maximum beam shall not exceed 60,000 candlepower, but new headlamps usually develop only about 20,000 candlepower in each lamp.

Q—Is the owner of any vehicle operated upon the highways responsible for the mechanical condition of the vehicle or is the driver?

A—The owner is responsible for the mechanical condition. Section 731 of the Vehicle Code states that "It is unlawful for the owner, or any other person employing or otherwise directing the driver of any vehicle to require the operation of such vehicle upon a highway in any manner contrary to law." However, Section 679 provides no person shall operate on the highways any motor vehicle unless it is in safe mechanical condition.

Q—What is the extent of my liability in a case where a friend was injured while a guest in our car? She was injured when thrown against the windshield because I was compelled to make a sudden stop to avoid striking a child.

A—There is no liability when the person paid no fare and unless it could be proved that such injury resulted from intoxication or willful misconduct on your part.

Q—Recently I was given a traffic ticket and notified to appear in court which is almost 300 miles from where I live. To appear in court will prove a hardship, loss of time, and expense. Can I be represented in court instead of going there personally?

A—If you gave a written promise to appear in court, you may be represented in court by counsel if you so choose.

Q—I have a trailer coach I use only a few times each year. Do I need to have a signaling device upon it?

A—An approved electrical or mechanical signal device must be used on either the trailer coach or the towing vehicle.

PUBLIC IS INVITED TO WESLEYAN TEA

Various Committees Complete Preparations for Annual Church Affair

Preparations for the Wesleyan tea, the second annual International tea, being given by the women of the Methodist church, Saturday afternoon are practically complete and the wide interest being shown in the event indicates a very large attendance.

The public is invited to attend and a cordial welcome will be extended to everyone.

All women's organizations in the local church will have some part in the tea and program, the general theme of which will be the commemoration of John Wesley's Aldersgate experience 200 years ago.

The general arrangements committee, selected from the Woman's Aid society, includes Mrs. Wiley W. Mather, Mrs. V. Wade Holden, Mrs. Ernest Dart and Mrs. L. E. Moser, and others on the committee are Mrs. Lee K. Bigley, Mrs. Harold W. Cook, Mrs. L. E. Moser of the Aid sonon Shiflett, of the Wesleyan Guild.

The reception committee will include the presidents of the several organizations, they being Mrs. L. E. Doserfi of the Air society; Mrs. Louise Wilson, of the Woman's Home Missionary society; Mrs. Thos. H. Settle, of the Woman's Foreign Missionary society; Mrs. W. F. Naftel, of the Advance Bible class; Mrs. J. B. Ford, of the Wesleyan Bible class; Mrs. Lee K. Bigley, of the Wesleyan Service Guild; Mrs. L. E. Griffith, of Mr. Bacon's Bible class, and Mrs. H. A. McPheeters, wife of the president of Wiley W. Mather's Bible class for both men and women. This group also constitutes the refreshments committee, with Mrs. Dart being in charge.

The program for the afternoon has been arranged by the Wesleyan Guild and Mrs. Howard T. Mitchell will have charge of the music, which will include the singing of a number of Charles Wesley's songs and a group of songs written by John Wesley.

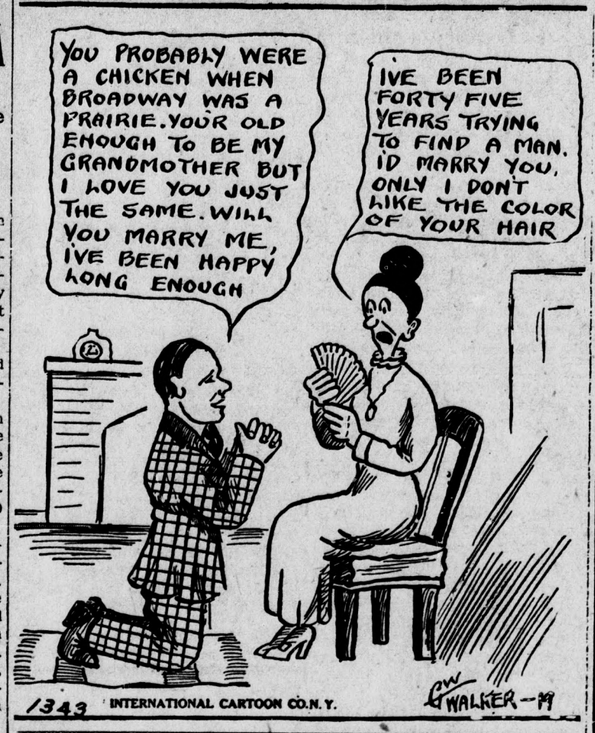
Another feature of the program will be an address on "Re-kindling the Flame" by Mrs. Elaine Dudley, executive secretary of the Goodwill Industries in Los Angeles.

Presiding at the tea table will be Mrs. Wiley W. Mather, Mrs. Paul F. Huebner, Mrs. L. E. Moser and Mrs. Louise Wilson, while a group of girls from the junior college department of the Sunday school will assist with the serving and keep the refreshments replenished.

With these well organized committees in charge the plans for the special annual event are certain to be carried out without interruption and one of the most delightful social affairs of the year is expected.

The forget-me-not, which is a variety of herb of the genus Myosotis, in poetry stands for constancy, and was named from the last words of a knight who was drowned while plucking the flower for his lady.

THINGS THAT NEVER HAPPEN



Chaffey P.-T. A. In Unique Program as School Law Studied

In a unique program presented at the meeting of the Chaffey High Parent-Teacher association held on Tuesday evening, many parents of the district heard a dramatized explanation of the school laws of California.

Mrs. L. W. Waters, association president, opened the meeting and gave a report of the executive board meeting held Monday, in which the board named as a nominating committee Mrs. D. R. Kilbourne, chairman; Mrs. L. J. Thomas, Mrs. D. E. Myers and Mrs. K. W. Fuller. The committee is to prepare for the annual election to be held at the March meeting.

Olof E. Snyder, program chairman, presented the study of school law in a dramatized question and answer skit that was informative and at times amusing.

Harry Alter, representing the principal of a school, was called upon by several irate parents, demanding to know why this or that was or was not done.

The parents were represented by Mrs. T. L. Johnson, Mrs. L. W. Waters, John Homewood, Roy Vick, Ernest W. Fischer and Olof E. Snyder, and as they propounded their questions Mr. Alter answered by reading passages of the school law.

A number of questions also were asked by parents in the audience and many became so interested that they remained after the meeting to discuss certain problems with the teachers.

Plans are being made to present a similar program at Fontana in the near future.

At the Theatres

Many Stars in "Radio City Revels" at Fox, Pomona

The Fox theatre screen in Pomona will reveal some truly gay entertainment to valley movie fans over the week end in "Radio City Revels," starring Bob Burns and Jack Oakie. This picture presents a new innovation in screen fare with New York's far famed Radio City as the background. It brings to the screen probably more radio stars than have ever been assembled for any one picture, coupled with a very clever story that gives "Bazooka" Bob, with Jack Oakie as his stooge, plenty of opportunity for laughs.

The preview feature on this program will be "Little Miss Roughneck," starring Leo Carrillo and Edith Fellows, which provides plenty of entertainment and rounds out an excellent program.

New Bill Starts at Pasadena Playhouse on Tuesday

Sino-Japanese headlines, daily skull and bones traffic totals and the general epidemic of nervous indigestion will be given a welcome shove to the background as the Pasadena Community Playhouse recreates the daguerreotype charm and effective sentimentality of "Pride and Prejudice," Helen Jerome's comedy from the Jane Austen novel. The Pasadena dates of staging will be Feb. 15 to 26, inclusive.

The footlight version of the beloved Austen comedy serves to sharpen the stream of subtleties flowing from the printed page and the playbill takes few liberties in the transposition.

The pride of a girl stacked against the prejudice of a man proves the equal riddle in the period style of "Pride and Prejudice" that it does today. The turn of events, shot through with natural tendencies of the male and female, brings comedy and charm which brought even sophisticated Broadway to the feet of Jerome and Austen.

Local Odd Fellows Attend Encampment Session in Ontario

Walter J. Richter of Ripon, grand patriarch of the I. O. O. F. Encampment of California, was the guest of honor at a meeting held in Ontario Monday night, with many high officials being present. Lloyd Fox of Ontario presided during the meeting and William Cornthwaite of Pasadena, district deputy grand patriarch, introduced the distinguished guests, including Grand Patriarch Richter, Henry Mang of Anaheim, grand senior warden; Robert Funk of Pomona, special deputy to the grand sire; Glenn Knoll of Riverside, district deputy grand patriarch, and Harold Anderson of Upland, district deputy grand master.

Following the introductions, the meeting was turned over to the grand patriarch, who conducted a school of instruction and gave an outline of the history of that branch of the order.

Refreshments were served in the lodge banquet room.

Attending the meeting from Upland were Harold Anderson, Hugh Lamphear, E. E. Baer and Houston Dewey.

World Music Class Will Attend Opera

Characterizations in "The Merry Wives of Windsor" were discussed by Ramsay Harris of the Chaffey English department Wednesday evening at the regular meeting of the class in world music, taught by Herbert Gray at the Chaffey People's college. This discussion was in preparation for the visit of the class to Riverside to hear the opera of the same name.

Mr. Gray will play representative themes and music from the opera at next week's meeting. The complete historical and dramatic background necessary for an understanding of the opera will be outlined by Mr. Harris.

Miss Kirkpatrick, Expert Typist, Is Office Secretary

Miss Ruth Kirkpatrick, who finished the business course at Chaffey junior college at the end of the fall semester, is now employed as secretary and clerk in the office of state employment service in Ontario. She is the daughter of Mrs. Lavina Kirkpatrick of North Third avenue.

While at Chaffey Miss Kirkpatrick was a member of the Cosmopolitan club and Alpha Gamma Sigma, scholarship honor society. She also had the distinction of being one of the fastest typists ever to attend the junior college, with a sustained speed of 76 words per minute. Among other positions which she held at the time she left Chaffey was that of alumni editor of the Chaffeyan, college annual alumni publication.

Grafting Methods Demonstrated for Class at Chaffey

Types of grafting used on peach trees, including the cleft, tongue, bark, and side methods, were demonstrated at the Chaffey experimental orchard for members of George P. Weldon's class in pomology at Chaffey junior college.

The side method of grafting was developed in work with the trees in the Chaffey orchard. It makes it possible to insert the scion or grafting wood into the tree without such vigorous pruning as is necessary with other methods. Thus even if the grafting is not successful, the tree remains in its original condition and nothing is lost.

Woman's Club Enjoys Chaffey Program At Luncheon

Explaining the purpose and the manner of operation of her personality clinic, Mrs. Irma K. Merckling, dean of girls at Chaffey high school, addressed local club women at the luncheon meeting of the Upland Woman's club held Tuesday in the club house.

The luncheon was served at 1 o'clock, following the usual opening ceremony, with Mrs. Walter W. Horak and her February committee in charge. Spring flowers adorned the tables and as a thought for Cupid's day, large red valentine hearts, huge fluffy ones, also were used on the table and in large vases on the stage.

Mrs. Ray R. Sherwood, club president, turned the meeting over to Mrs. J. Emery Sargent, program chairman, who presented the speaker and the entertainers, a group of Chaffey musicians and their director, Herbert Gray.

Finding in her contacts with hundreds of high school girls that a very large percentage of them harbor some kind of inferiority complex, Mrs. Merckling, whose own personal charm and accomplishments make it fitting that she should aid others in developing those qualities, arranged to conduct a personality clinic. Participation is voluntary on the part of the girls, she explained.

When a girl seeks advice on her personality problems she is given an appointment for an interview, during which Mrs. Merckling makes notes of the girl's attitude and her conversation, for future study. In a later interview, Mrs. Merckling advises the student concerning her problems, suggesting ways of eliminating the complexes and building a winning personality.

The girl is taught, Mrs. Merckling stated, to evaluate and accent her desirable qualities and to eliminate those that lessen her popularity and her personal attractiveness. Good taste in dress, correct posture, grace in movement, and easy conversation are suggested as means of overcoming some complexes. The control of temper, the overcoming of minor irritating habits, the development of poise and the art of being a good listener are other suggestions made as Mrs. Merckling sees the need.

Popularity of the personality clinic has increased rapidly, Mrs. Merckling stated, and she now has appointments for a month ahead.

Her address proved to be of particular interest to club women.

Under the direction of Mr. Gray, who gave a brief explanation of the program, mentioning particularly the numbers arranged or composed by the students, a delightful program of instrumental and vocal numbers was presented.

Selections composed by Virginia Spencer were played by a trumpet quartet that included Miss Spencer, Ernest Kiss, Ernest Farmer and Roger Johnson. Bonnie Johnston played a clarinet solo, and a girls quartet, Dorothy Gant, Alice Hostetler, Virginia Spencer and Barbara Grant, sang numbers composed by Miss Grant and Doris Wolfe. The program was concluded with a selection composed by Doris Wolfe and Bonnie Jones and played by an orchestra ensemble that included Eugene Wing, Sylvia Underwood, Leo Wadsworth, Jr., Virginia Spencer, Dorothy Benson, Herbert Gray, the director, and Miss Doris Wolfe, pianist.

The program was followed by a brief business session conducted by Mrs. Sherwood.

Mrs. Evelyn Miller was welcomed as a new member of the club, she being the seventeenth member enrolled during this club year.

An announcement was made of plans by the ways and means committee to hold a Plunkett dinner on Monday, March 7, as a benefit for the club treasury. Mrs. R. C. Norton is chairman of the committee.

Mrs. Sherwood, Mrs. Una R. Winter, Mrs. Ernest C. Mehl and Mrs. Frank C. Buffington compose the committee revising the club bylaws and Mrs. Sherwood announced a copy of the proposed bylaws will be mailed to each club member for suggestions.

Sons and Auxiliary Honor Department President

In a joint session held Tuesday evening in the Ontario American Legion hall, Alois Podrasnik camp, Sons of Union Veterans, and the Woman's Auxiliary greeted Mrs. Hannah Dabel of San Jose, department president of the Woman's Auxiliary in California, who made her official visit here.

This was the time for the regular meeting of the Sons and the commander, H. J. Clewett, conducted a brief business session. A short talk was made by Leslie Strawn, past commander, and Oran Burt was initiated into the camp.

With Mrs. Sadie Benner, president, presiding, the Auxiliary meeting was opened with the usual ceremonies and the distinguished guest, the department president, was brought in with the colors and presented. Other visiting department officers presented were Mrs. Lorene Winchell, chief of staff; Mrs. Charlotte Turner, special department aide, and Mrs. Cora McHenry, chaplain.

Mrs. Dabel, whose gracious personality captivated her audience, made an inspiring talk and urged continued effort in securing new members for the order. She stated she had been advised by Mrs. Clara M. Gallagher, junior national vice-president, that California was first in the number of new members secured in the contest.

Mrs. Mahala Buckley, past national patriotic instructor, spoke briefly, also emphasizing the membership campaign.

Other guests in attendance were Mrs. Gertrude Butler, secretary; Mrs. Ruth Hopping, assistant guide and aide; Miss Charlotte Hopping, color guard; all members of the Auxiliary to Phil Kearney camp, Pasadena, and Mrs. Genevieve Huston, also of Pasadena.

During the meeting a general order was read announcing the appointment of Mrs. Elizabeth Taylor, Mrs. Helen Taylor Miller, Mrs. Florenec Stamm, Mrs. Ilabelle Sturgess and Mrs. Oran Burt as department aides.

The department president also announced she had appointed Mrs. Sadie Benner to act with her in the national organization membership drive through the local chapter.

During the meeting Oran Burt was obligated by the Auxiliary and Mrs. Benner requested the department president to perform that ceremony, which she did with marked efficiency.

As a mark of appreciation, Mrs. Dabel was presented with a bouquet of flowers and a gift from the Auxiliary.

Note was made of the absence of the Auxiliary's winsome mascot, little Jane Ellen Miller, daughter of Mrs. Helen Taylor Miller. The wee lassie was officially installed as mascot at the recent installation of officers.

The meeting was closed with a social hour and refrshments were served.

About 15 of the members are planning to attend a dinner at Pasadena Saturday evening.

A contributed dish dinner will be served at the next Auxiliary meeting.

Mothers Club of Jobs Daughters Meets

The recently organized Mothers club of Job's Daughters held its first meeting Tuesday afternoon at the home of Mrs. A. C. Hargrave, 229 Rosewood court, Ontario, with a number of members in attendance.

The major business of the meeting was the election of officers and Mrs. F. F. Jensen was named president, Mrs. Jack Anderson, secretary, and Mrs. Henry Garrett, publicity chairman.

The first Monday in each month was selected as the time for the regular meetings.

Mrs. Burwell Presides At Tent Meeting; Many Present

A record attendance marked the regular meeting of Mary Brainard tent held in the American Legion club house last evening when a large number of members gathered to greet their new president, Mrs. Rose Burwell, who presided for the first time.

The routine business and ritualistic work was given attention and Mrs. Burwell announced her committee appointments for the year.

Named on the relief committee are Mrs. A. B. Clarke, Mrs. Louise Hamer and Mrs. A. C. Smithburn; visiting committee, Mrs. Minnie D. Goodrich, Mrs. H. O. Henderson and Mrs. Cora Wilson; flowers, Mrs. Julia Culter, Mrs. H. S. Fies and Mrs. Henry E. Wilde; refreshments, Mrs. Leslie Strawn, Mrs. P. H. Colling and Mrs. Sadie Benner; entertainment, Mrs. Laura Nicholson, Mrs. Laura Holsclaw and Mrs. Pearl Dweak.

The tent voted expressions of appreciation to Ernest W. Fischer, principal of Chaffey high school, and Ernest Payne, a teacher, for the program they provided at the recent federation meeting held in Upland, and to Mrs. S. J. Brooks for use of her beautiful patriotic banner and historic scroll.

The tent received an invitation to attend an informal reception to be held in honor of the national president, Mrs. Mary Manning, Saturday afternoon in Patriotic hall in Los Angeles.

Arriving yesterday from their home in Flat Rock, Mich., Mr. and Mrs. George Van Riper, nephew and niece of Mrs. Alice Erixon, are guests of Mrs. Erixon at her home, 759 E. Ninth street.

Last evening Mrs. Erixon entertained with a dinner party having friends in to meet her guests.

Mr. and Mrs. Van Riper are friends of Mrs. Mary Eckerman and will visit with her during their stay here. Mrs. Etta Johnston also is acquainted with the visitors, she and Mrs. Eckerman having been guests in their Michigan home during their motor tour last year.

Valentine Party Will Be Held by Local Star Chapter

A valentine party is being planned as the social feature of the regular meeting of Upland chapter, Order of Eastern Star, to be held Monday evening in the Masonic lodge hall.

Mrs. Anna Widmark is hostess chairman for the evening and she requests every member to bring a valentine.

The regular chapter meeting will be held at the usual hour, with Mrs. Don E. Hill, worthy matron, presiding.

Death Valley Scene Of Legion Meeting Tomorrow, Sunday

Mr. and Mrs. Earl E. Marsh of Upland are planning to attend the monthly meeting of the San Bernardino county American Legion inter-post council tomorrow at Death Valley junction. Visiting Legionnaires, their families and visitors are invited to a banquet in the Hotel Amargosa at 7:30 p. m.

Later in the evening a business meeting will be held in Corkhill hall, followed by dancing. On Sunday, arrangements are being made to take the visitors on a tour of Death Valley, including a trip to famous Dante's Views.

Park service officials of the Death Valley national monument will conduct the tour. Every effort is being made to make this one of the most interesting and unique meetings of the year.

Mr. Marsh is a member of the Upland American Legion post and Mrs. Marsh is active in the Women's Auxiliary. Other members of these two organizations from this locality are hoping to make the trip to Death Valley.

Librarian Is Happy Over Return of Two Long Absent Books

By Mrs. F. H. Manker
Librarian

It must have been "power of will" over inclination that brought back the book of that title to the public library after an absence of a couple of years. And it must have been a stronger power of will, or shall we say conscience, that returned three other stray books at the same time.

The "Plays of Barrie," in one volume, a very much needed volume; "Dramas of Present Day Writers" and the "Psychology of Handwriting" all have been gone since before the 1934 inventory.

Fortunately no catalog cards had to be made for the "Plays" as it had been hoped at some future time to replace the book, so the 22 cards were ready and waiting for a future replacement. "Dramas by Present Day Writers" might now well be re-labeled "past-day writers."

Thanks, Mr., Mrs. or Miss Borrower! Let your conscience be your guide and return a few more.

Missionary Speaks At Regular Session Of Women's Groups

The all day meeting of the Methodist Women's organizations held Thursday was featured by an inspiring address my Miss Anna Suffren, a missionary to China home on furlough.

Miss Suffren spoke at the meeting of the Woman's Foreign Missionary society held immediately after the noon day luncheon. She spoke particularly of the mission work in China and told of the great sacrifices willingly made by the Chinese women who have become Christian missionaries to their own people.

Mrs. Thos. H. Settle, vice-president, conducted the business session and Mrs. A. H. Stull was elected president to succeed Mrs. Emily J. Austin, who recently resigned.

Mrs. J. B. Ford led the devotional service and Mrs. Ben Schmidt, president of the Woman's Foreign Missionary society of the First Methodist church of Ontario, spoke briefly, extending greetings in behalf of the several members of her society who were present as guests.

The Woman's Home Missionary society meeting was held at 10 a. m., with Mrs. Louise Wilson, the president, presiding. Mrs. Fannie W. Gay led the devotional service and routine business was conducted.

Mrs. C. I. Linkey contributed a vocal solo and Mrs. Paul F. Huebner discussed several chapters of the missionary study book, "Rebuilding Rural America," the lesson dealing with religious life in rural sections.

A business session was held at 11 o'clock by the Woman's Aid society, with Mrs. L. E. Moser presiding, and the usual circle reports were received and routine business transacted. Plans for the Wesleyan tea to be held Saturday afternoon at the church, were completed during the session.

Student Attendance Increase Recorded

Enrollment figures of Chaffey high school show an increase of 100 students over the number attending this time last year. The total members of the student body to date are 1,555, of which 27 entered at the start of this semester.

Those who have applied for entrance come from many different parts of the state and nation. Some are from Texas state military academies, and other localities.

Two Inches More Rain; Total Now 13.88 Inches

Receiving its full share of the general rains, the Upland district has had two inches of rain since Wednesday, .58 of an inch of this amount falling before noon today. The season total now stands at 13.88 inches, as compared with 22.50 inches at this time last year. However, J. R. Johnston, record keeper, pointed out this morning that the present season total is a little more than one inch above the normal figure at this time of year.

P.-T. A.'S JOIN IN HONORING FOUNDERS

Plans for Consolidation of Two Associations Are Made At Meeting

Meeting jointly to observe the forty-first anniversary of the founding of P.-T. A., members of the Eighteenth Street, the Fanie D. Noe and the Junior High associations gathered Wednesday afternoon at the junior high school and enjoyed an interesting program that included several beautiful vocal selections by the Upland-Ontario Lyric club and the director, Mrs. Howard T. Mitchell.

Mrs. Clyde D. DuVall opened the meeting with the usual ceremonies and Mrs. D. E. Myers read the invocation.

Mrs. DuVall conducted a brief business session for the Junior High P.-T. A., only routine matters being given attention.

During a lengthier business session conducted by Mrs. J. B. McCarter, president of the Fannie D. Noe association, a nominating committee was named to prepare a list of officers to be elected in March for the proposed consolidated P.-T. A. The committee includes Mrs. Lloyd A. Fox, Mrs. Thos. H. Settle, Miss Evelyn Cross, Mrs. George Cunning and Mrs. O. E. Atwood.

A re-arraigement of the by-laws will be needed when the Fannie D. Noe and Junior High associations are consolidated and to accomplish that task Mrs. McCarter appointed Mrs. Hjalmar Anderson, Mrs. Harold W. Cook and Miss Elizabeth Griggs, who will serve with the two presidents, Mrs. McCarter and Mrs. DuVall.

For the musical program, Mrs. Mitchell presented members of the Lyric club who delighted their audience with three selections, "O Irish Hills," "Spirit Flower" and "Rain." Mrs. Mitchell then sang three beautiful numbers, "The Swallows," "Songs My Mother Taught Me" and "To a Messenger."

With Mrs. W. R. Farmer and Mrs. B. T. Marquis, program chairmen for the associations, in charge, a Founders day skit, "Making the Birthday Cake," was presented, with the audience participating. The theme of the skit emphasized the beneficial "ingredients" that go to make up P.-T. A.

To raise a contribution for the Founders fund, Mrs. Harold J. Stickney, president of the Eighteenth Street association, conducted a Dutch auction of two birthday cakes and a drip coffee pot.

During the tea hour that concluded the meeting, a Chaffey string ensemble played a number of selections. Mrs. McCarter and Mrs. DuVall presided at the tea table and with the tea they served dainty little birthday cakes topped with tiny candles.

Mrs. George E. Drew Dies on Thursday; Funeral Saturday

Mrs. George E. Drew, who had been in ill health for several years, passed away at 12:15 Thursday morning at her home, 197 South Euclid avenue.

Mrs. Drew, who was 60 years old, was a native of Everton, Mo., and had lived in Upland for the past nine years. She was a member of the Methodist church in Prior, Okla.

She is survived by her husband and son, Paul Drew, of Upland; three other sons, Howard Drew of Sacramento, Richard Drew of Exeter, and Eugene Drew of Joplin, Mo.; a daughter, Mrs. Roy Woodcock of Riverside, and a sister and four brothers in Oklahoma and Arkansas.

Funeral service will be held at 10 o'clock Saturday morning in Draper's Upland chapel, with the Rev. Paul F. Huebner, pastor of the Upland Methodist church, officiating. Interment will take place in Bellevue cemetery.

National Orange Show To Build New Stadium For Athletic Contests

Officials of the National Orange Show at San Bernardino have announced that as a part of their proposed expansion program a new all-purpose stadium will be built on the exposition grounds. However, this important addition to the enterprise will not be ready for the orange show next month, but it is expected it will be completed in time for the football season next fall. This will eliminate the plan of installing a horse racing plant on the show grounds, which officials had considered.

The San Bernardino junior college will likewise abandon a $50,000 WPA project which had already been approved—that of building additional seating capacity on its athletic field—and will make use of the new stadium on the Orange Show property.

Until it has been ascertained what facilities are needed no estimate of the size or cost of the proposed stadium can be made. Orange Show and junior college officials are cooperating in the plan.

Mennonites Plan Memorial Service For Dr. Kliewer

Word has been received of the death of Dr. J. W. Kliewer of Newton, Kan., prominent leader in the Mennonite church. He was formerly president of Bethel college at Newton, Kan., and for a long time was president of the Mennonite Board of Foreign Missions. For eight years he was the pastor of the First Mennonite church at Berne, Ind., with a membership of over one thousand, the largest church in the denomination in America.

Dr. Kliewer was a graduate of Bethel college and of Garrett Biblical Institute.

A large number of friends and relatives live here and in Los Angeles. They will come together for a memorial service at the First Mennonite church of Upland Sunday afternoon at 3 o'clock.

3681 In County Get Old Age Pensions

The sum of $121,734 was paid in December to those receiving old age pensions in San Bernardino. There being 3,681 such pensioners in the county, this makes an average of $33.07 for each. The figures were given out by Mrs. Maude S. Bell, executive secretary of the county welfare department.

Throughout the state, a total of $3,244,260 was distributed to 97,943 individuals. The average for each recipient of the pension was $33.12, whereas the average for the month of November was $33.26.

The old age assistance is paid jointly by the federal government, the state and the counties, the federal bureau contributing $15 a month to each individual, the state and the counties sharing equally the balance.

Special Service at Church of Nazanere On Sunday Morning

A special missionary service will be held at the Church of the Nazarene Sunday morning at 11:00 o'clock. The Rev. and Mrs. A. D. Fritzland will be the missionaries in charge. The Rev. and Mrs. Fritzland have had 20 years of experience as missionaries in India. They saw the work grow from the very beginning to the great work the Church of the Nazarena has now in India. A special invitation is extended to all by the pastor, the Rev. John P. Mandtler.

University of Southern California and Pomona college scholarships are now open to students of the junior college for 1938-39. Twenty scholarships to Southern California for one semester each are open to college graduates who are also Chaffey high school graduates.

Following is a list of former students who are now using these scholarships: William Walk and Winifred O'Brien, Upland; Harriet Phibbs, Alta Loma; Sally Ford, Dale Pittenger, John McCutchen, Herbert Pyle, Harold Edelbrook, Constance Sturges, Jack Anderson, Bruce Cartwright, Marjorie Clarke, Leonard Smith, and Ernest Schultz.

Cucamonga Service Club Meets Monday

Ancil Morris, president, announces the meeting of the Cucamonga Service club next Monday evening in the Sycamore Inn. The business session will begin at 7:00 o'clock.

Discussion concerning a possible club entry in the coming Orange Show at San Bernardino will be the main item to be brought up before the members. Entertainment will also be provided, Mr. Morris states.

MATHER TALKS TO LIONS ON LINCOLN

Messages of Martyred President to Congress Show His Political Sagacity

"A different kind of a talk on Lincoln" was given by Wiley W. Mather when he addressed the Upland Lions club at their meeting at Red Hill Country club at noon yesterday. This most interesting and out of the ordinary address was a discussion of the messages of the martyred president to Congress and showed his political sagacity.

Dr. Robert I. Hodgin gave an enlightening talk about San Antonio Community hospital, in which he stressed the progress made by the hospital in combating pneumonia. Death rate of hospital patients having that dread disease has been reduced from 56 per cent to 10 per cent in recent years and further reduction is expected. Fines for the day went to the hospital and a collection was also taken for that worthy purpose.

Ernest Olson was program chairman and the club president. Floyde L. Atwood, presided at the meeting.

University Defeats Panther Net Squad

Coach Arthur Flum's junior college team engaged in its first practice game this season when they went to Redlands yesterday afternoon and lost 19 to 0. However, the Panthers played the strong Redlands university varsity, so the shutout doesn't necessarily prove that the Chaffey squad is weak.

At first singles, Falkenrath (C) lost 6-3, 6-2, to Hobson, while Capen (C) was defeated by Parker 6-2, 6-3 at second singles. Fisher and Taylor played the other single assignment. Burton and Templeton lost in the first doubles match, and the Toews-Turner combination dropped second doubles.

Crus Gallinae, or as the English call them, chicken legs, will be the piece de resistance of the annual Roman banquet, to be given by Gens Togata, Latin club at Chaffey high school, this evening, in the men's lounge of the junior college. A complete Roman banquet will be served.

Dr., Mrs. Goddard Arrive From China

Dr. and Mrs. F. W. Goddard, who have been caring for wounded Chinese soldiers and civilians in Dr. Goddard's hospital in Shoahsing, China, arrived in San Francisco last week on the S. S. President Coolidge and are now guests of their friends, Dr. and Mrs. F. J. White, 377 Drake avenue.

Dr. Goddard, a physician, and Mrs. Goddard have lived in China for 35 years and have been close friends of Dr. and Mrs. White, who spent more than 30 years in China, Dr. White being president of the University of Shanghai for many years.

Shoahsing is some 150 miles southwest of Shanghai and, although the Japanese armies have not reached that area, there has been much destructive bombing there.

Dr. and Mrs. Goddard will visit here for a time before going east, where they will spend their furlough.

Mr. and Mrs. George E. Taylor, son-in-law and daughter of Dr. and Mrs. White, who are now in Peking, where Mr. Taylor is engaged in educational work, have recently re-assured Dr. and Mrs. White concerning their safety. The Japanese are in control of the city and since they are preparing to set up a Japanese government there, they are endeavoring to make conditions as pleasant as is possible for the inhabitants.

However, not more than 30 miles from Peking the invaders are cruelly harrassing the Chinese, who are resorting to guerilla warfare in self protection.

County Receives Auto License Fees

Approximately 300 members of chambers of commerce throughout the county are expected to attend a dinner meeting of the San Bernardino county chamber of commerce to be held in Fontana tonight. Dinner will be served in the Woman's club house at 6:30 o'clock. Mrs. Louise Ward Watkins of Pasadena, a former Los Angeles Friday Morning club president, will be guest speaker.

Discussion at the meeting will be based on prospective developments and proposals, such as the sponsoring of a county "Orange Week" for promotion of citrus fruit sales, and the planting of more trout in the San Bernardino mountain streams and lakes. The chamber will also discuss the completion of the Rim of the World boulevard and the continuation of experimental forestry projects.

Reservations for tonight's affair are being received from as far distant points as Chino and Needles, according to Cornelius DeBakscy of Fontana.

Mr. DeBakscy is the present secretary of the chamber with which is affiliated the chambers of commerce of all towns in this county.

Rollin Lemon, Upland chamber of commerce president, and Mrs. Lemon will be present and other Upland residents are expected to attend tonight's meeting in Fontana.

Opportunities for Trained, Untrained To Get Discussion

Opportunities for both trained and untrained workers in present fields of commerce and the professions will be discussed by authorities and educators at the annual Chaffey junior college vocational conference to be held at the local institution all day March 7. All college students and high school seniors may attend the sessions and will receive regular class credit.

The conference will open with a discussion of problems of general guidance, during the first college period. Period II will be devoted to the interests of those preparing to enter the secretarial, journalistic, high school teaching, public administration, psychiatrical, and agricultural fields.

Secretarial and journalism sessions will run over into Period III, which will also include advice on what is necessary to obtain a place in the worlds of aviation, chemistry, law, and, if there is any request, forestry. During period IV there will be seminars on aviation, nursing, librarianship, physical science, and the teaching of home economics.

All students are invited to attend the luncheon which is being arranged for by Alex Mendosa of the Chaffey junior college commerce department. In the afternoon, Period VI, will offer discussion of commercial art, engineering, elementary teaching, commerce, commercial home economics, medicine, dentistry and X-ray technicianship and music.

Final sessions during period VII will take up the ministry and religious education, music, commerce, interior decoration, social work, and, if there is any demand for it, the duties of a mortician, and a cosmetician.

Backward, Turn Backward, Oh Time In Your Flight-

Are you "fed up" on some of the traditional diversions and amusements? May be Old Stuff to you—BUT to Vigorous Young America—? ? ?

—Watch them milling around the Valentines!

One fine lad selected five Penny Beauties and when asked if he wanted some more replied with Spirit: "SAY, think I wanta buy out the whole store!" A sprightly Miss America declared: "I think you ought to buy your teacher a Valentine whether you like her or not."

Hearts ARE Trumps. Always will be. But—NEXT TUESDAY IN VALENTINE DAY!

It's our business to see that you live up to your sentimental responsibilities. A bit of thoughtfulness and a small investment helps to soften the stern realities of life. What Youngster, Wife, Mother or Grandmother fails to thrill at the reception of a glorified Heart Box of good Chocolates, a graceful lacy Valentine flavored with a bit of sentiment?—not forgetting a few endearing words and Affectionately Yours to cap the climax.

Beauty, appeal and cleverness are clearly evident among our Valentine Selections. And Valentine Chocolates—? ? ? ? Well, STEP IN—before you STEP OUT. —MAC SAYS SO!

I notice that the Girls at The Fountain of Youth are entertaining the FAIR as well as the BRAVE with frequent Lusty Mugs of HOT CHOCOLATE. To make it a bit better is our yen. The Best Chocolate, Grade A Whole Milk, Whipped Cream—in a quick Electric Heating Mixer—served hot with tasty cakes is a bracing, warming treat. GROUP AIMS FOR ORANGE DISPOSAL

R. O. Price Appointed Member Of New Citrus Growers Organ in State

R. O. Price, Upland citrus groweer and president of the San Bernardino County Farm Bureau, has been appointed to the personnel of the newly organized California Orange Growers Stabilization committee.

This organization, which has been set up by the California growers of winter oranges and represents the entire industry in the state, is attempting to find some means of disposing of the surplus crop, now measured to be more than 76,000,000 dozen. In its first meeting this month in Covina, Mr. Price, along with two Ontario growers, Charles Latimer and John Gaylord, were selected to the membership of the California committee.

In Chicago last month an agreement was reached between the chains and independents whereby they would combine their efforts to push the sale of oranges in an attempt to help the growers dispose of their surplus. This resulted from the meeting at which representatives of the California, Florida, Texas and Arizona orange industries conferred with the department of agriculture, the food chains of the United States, and the Independent Food Distributors Council.

The total national winter orange crop is 389,000,000 dozen, or more than twenty per cent greater than in the 1936-37 season. During the weeks of February 24, March 24 and April 21 the "record crop orange sale" will move forward. The stores will at that time place a heavier emphasis on the importance of this movement by adding store and window displays.

Initiation Held by Upland Odd Fellows And Events Planned

Initiation of one member and the making of plans for special events in the future, featured the regular meeting held on Tuesday evening by Euclid lodge, I. O. O. F., with Homer Washburn, noble grand, presiding.

Clinton Mayberry was initiated into lodge membership and he will have the privilege of receiving his first degree on Feb. 21, when a large number of local Odd Fellows will accompany him to Pasadena, where they will attend a meeting of the Crown City lodge. That lodge makes a specialty of the first degree work.

Another big event for which plans were made will be Grand Master's night in Los Angeles next Tuesday, Feb. 15, when Grand Master Henry Farr of San Diego will officiate, with all chairs being filled by past grand masters or present district deputy grand masters. Several members of the Upland lodge plan to attend.

Harold Anderson, deputy grand master of this district and a member of the local lodge, was present Tuesday evening and made a brief talk.

A smoker followed the lodge meeting and refreshments were served by Erwin C. Koch, John Swoap and G. A. Brest.

Hearing Scheduled For Flood Control Of Local Streams

Flood control projects located in San Bernardino and Riverside counties will be the topic of a public hearing to be held in the municipal auditorium at Riverside on February 25.

Preliminary examinations of various streams in this locality will be discussed. The hearing will cover the Santa Ana river, Waterman canyon, Lytle creek, Deer creek, Cucamonga creek, San Antonio creek, Chino creek, Banning canyon, San Jacinto river and Bautiste creek.

Interested parties are invited to submit plans or descriptions of improvements desired covering such data as approximate estimated cost, information as to the areas affected, to floods and the potential saving of life and protection of property involved. Major Theodore Wyman, Jr., is in charge of the district engineers.

Negro Student To Speak Sunday at Cucamonga Church

Featuring the observance of Lincoln Sunday at the Cucamonga Community church, Harold L. Scott, a young Negro of splendid

Christian character and attainments, will deliver the address of the evening at the 7 o'clock service, according to the pastor, Rev. William A. Tieck.

Mr. Scott is in his early thirties, and is working his way through the University of Redlands. He will receive his degree next year, and plans to devote his life to the broadening of racial understanding and social justice for all humanity, regardless of color. After working at various trades, he enrolled at the university in 1935, and he is well known and respected by fellow-students and faculty alike.

Mr. Scot 's subject will be "Blind Spots," and what he has to say will be especially timely and interesting. Following the regular service, he will speak briefly and give opportunity for discussion in the young people's meeting.

Poetry

"MY GARDEN"

I was hoeing the weeds from my garden today,
'Round the Roses and Dahlias so grand.
The Weeds seemed to say—"We can't understand
Why weeds should be treated this way."

If the weeds did not speak, they caused me to think
Of the weakness and failings of man,
How the strongest of men so often will sink,
To the level of weeds in the sand.

You ask what I mean by the Roses so grand,
And the weeds that grow in the sand?
The Rose is the soul, the Dahlia's the mind,
But the weeds are the sins of mankind.

We must hoe out all sin; don't let it creep in
To the Garden that we call our soul.
There'll be no more sadness, sorrow and woe,
If we always use prayer for our hoe.—By Jack English.

A BIRTHDAY SOLILOQUY

Another year for me has gone,
Ten thousand have I gained.
I've saved the love, I've saved the song;
Just one more year's less pain

Ten thousand years with God above
For just this one that's gone
I'd gladly leave all earthly love
To join His happy throng.

I know His power, I know His love,
They help me thavel on.
I pray He calls me up above
When earthly life hath gone.

TIGERS PREPARE TO GET REVENGE IN BEAR CONTEST

Coach Kaiser's Squad Faces Riverside High Tonight In League Fray

Chaffey high school's defending C. B. L. champions of the court travel to Riverside this evening with revenge in their hearts. It's a former defeat handed them by the Riverside Poly Bears that bothers the Tigers, and they're out to do something about it.

Despite their low rating in the present league race, the Bears entertained themselves three weeks ago when they came over here and scored a decided upset over Karl Kaiser's proteges. Since then the Riversiders have had mediocre luck while the Tigers have run over all of their opponents in their eagerness to regain the lead which they now hold.

Tucker and Latimer, who are up among the league scoring leaders, have displayed outstanding work for Coach Kaiser in recent games. Center Latimer's ability to regain the ball off the backboard is a great asset in addition to his accurate pivot-shooting underneath the basket. Tucker, a forward, is an all-around player on the floor and is the best ball-handler on the squad.

Poindexter, who plays the other first-string forward spot, is a consistent performer and can be counted on for points. Other members of the team who may see action tonight are Cardin and Edwards, forwards; Johnson, Rodriguez, Johns, Hofer and Hargraves, all guards.

As the standings now appear, the Chaffey five must get by Riverside in order to assure themselves a good chance of capturing the crown. They are in a tie with Redlands and the contest with the Terriers next week should decide the championship, provided both teams win their encounters this week end. Riverside and Santa Ana are still in the running and anything can happen, especially in this casaba sport.

Locals Down Dusky Quintet To Remain In Y. M. C. A. Lead

Ontario "Y" basketball quintet remained undefeated at the top of the Southern California Y. M. C. A. league Tuesday night when they walked over the Negro five from 28th street in Los Angeles 32-26. A large gathering of fans was present in the Chaffey gym to witness a benefit contest, proceeds of which will be used to pay for an operation for an Ontario child who is blind.

The local "Y" boys jumped into a quick lead and stayed there throughout the evening. At halftime the score read 16-9. Bluett, visiting center, who tops six feet four inches in height, won high point honors with 12, while P. Hershey and Wallace trailed close behind.

In the preliminary game, the Exchange Orange Products proved why they are leading the Industrial League by winning an exciting 27-21 battle from the Hotpoint gang. Things looked bad for the Citrus lads at the beginning of the second half, trailing 15-7. However, they began to get their eye on the basket and gradually pulled even, pushing ahead on the backstretch.

Marriage Business Picking Up; June Still Leads Pack

The matrimonial business is still going strong, anyway. According to Dr. Walter M. Dickie, director of the state department of public health, there were 1,395 marriages in San Bernardino county in 1937, or 57 over the previous year's grand total of wedlocks.

In the state of California there has been an increase of 43 per cent in the number of filed marriage certificates during the past five years. The greatest gains in marriages were reported to come from the largely populated areas rather than the rural sections.

June, the champion wedding month, set a new all-time record in California when over 8,000 couples trotted up to the altar. February gets the booby-prize, for only 4,000 were registered during this month.

FULLERTON NOSES OUT PANTHER FIVE

Junior College Loses League Lead by 32-30 Score in Thrilling Game

Perhaps the most thrilling and hotly contested junior college basketball game played in this locality for several years, at least, was the one Wednesday evening when the Fullerton Hornets came to the Chaffey gym and barely staved off a Panther onrush to win 32 to 30.

Despite big Bob Doll's outstanding work during the second half, in which he ran up 10 points on a team which kept on his tail throughout the game, the Fullerton gang proved just a wee bit better. The big guns of the visitors were Captain Andy Echle and Forward Keesey, who scored nine points apiece.

Foul shots were the deciding factor. The Hornets dropped in eight of eleven chances, while Coach Mitchell's boys had 16 free throws but could only make six of them good. The game was an exciting affair from the opening whistle with tight defensive work performed by both teams. Not more than three points separated the two schools during the entire 40 minutes of play.

Etiwanda

ETIWANDA, Feb. 11.—The Etiwanda Service club held its monthly dinner and program in the club rooms in Cypress hall Wednesday evening and in celebration of Scout week the Scout and Cub Scout troops were guests of the club, eighteen being in attendance. Ernest Payne of the Chaffey faculty was speaker of the evening and showed pictures in colors of views in Yosemite national park, where Mr. Payne spends the summer months as a ranger naturalist. Dinner was prepared and served by a group from the first section of the Ladies Aid society.

The Friendly class of the Sunday school held its monthly potluck supper, business session and social hour in the church basement Monday night.

Mr. and Mrs. H. H. Dickins went to Venice Thursday to attend the funeral of Mr. Henry Seaman, who died Tuesday after a lingering illness. Mr. Seaman was the father of Mrs. Maurice Dickins and Mr. Dickins, who is looking after ranch property at Eugene, Ore., arrived at Venice Thursday morning.

Elwell Morton is building a house near his own home on East Highland avenue for his mother, whose home is in Pomona.

Miss Marian Frost of Pomona college spent a week-end between semesters at the home of her parents, Mr. and Mrs. W. H. Frost.

Mr. and Mrs. Will C. Pearson, Phillys, Jeanne and Bill spent the week end at their cabin at Bear lake. They were joined there on Sunday by Edward and Evelyn Appel for the day.

Rainfall as measured by the U. S. rain gauge at the W. F. Barnes home registered 1.39 inches for the recent storm. Season's total now is 11.75 inches. Last year to date it was 22.85 inches.

Church services in the Etiwanda Congregational church will be held as usual Sunday. The pastor, Rev. Harold V. Hartshorn, will speak on "The Miracle Draft of Fishes." The young people's choir will sing.

Great Explorer On Claremont Course

Vilhjalmur Stefansson, distinguished scientist and educator and one of the greatest living explorers, will speak in Bridge auditorium in Claremont on Tuesday, Feb. 15, at 8:15 p. m., in the fifth lecture of the Claremont colleges lecture series. His subject is "Transpolar Commerce by Air," and will be illustrated with slides.

Stefansson has explored unknown seas north of America, sounding ocean depths, discovering islands which are now seen on maps as a result of his work.

He has collected the world's largest privately owned library of polar Commerce by Air," and will which include books, pamphlets and scientific periodicals in various languages. Study of these and an extensive correspondence with leaders of thought in many fields enable him to keep abreast of last minute developments in such rapidly changing subjects as aviation, dietetics and the expansion of northern industries.

Stefansson is also author of many widely read books on the north and is a contributor, on a variety of subjects, to leading magazines and scientific publications. He is an impressive speaker with an abundance of wit and the ability to popularize his subjects.

NOTICE TO THE PUBLIC

Notice is hereby given to the public generally, that the City of Upland has called a meeting to be held in the Council Chamber at 126 Second Avenue, Upland, at 7:00 o'clock in the evening of the 17th day of February, 1938, for the purpose of considering certain proposed changes to the present Zoning Ordinance of the City as recommended by the Planning Commission. That the changes which will be open for discussion are briefly as follows:

1. That the R-1-b bone in the new annexation district be changed to R-3;

2. That Lots 475 and 466 Ontario Colony Lands be changed from the Agricultural zone to Light Manufacturing, but that no rock crushing be allowed on these two lots;

3. That the zone west of Euclid Avenue, known as zone R-1-b, with the exception of the property along Laurel Avenue north of Arrow Highway and extending to Eleventh Street, be changed from the R-1-b zone to R-3-b;

4. That the Agricultural zone be amended to allow multiple family dwellings;

5. When the property along Euclid Avenue below the tracks is subdivided, either as of record or by metes and bounds, that the portion of the lots facing on Euclid Avenue be considered the front of the lots. For instance, the lots on the corner of Seventh Street and Euclid Avenue would not be considered as fronting on Seventh Street, but as fronting on Euclid Avenue;

6. Also, to make Zoning Ordinance more flexible, so that in unusual or extraordinary situations, the Planning Commission could permit certain exceptions, under conditions or rules established by the City Council;

7. That Section Five of the present Zoning Ordinance deals with non-conforming uses and provides in respect of land that if any such non-conforming use is discontinued, any future use of such lands be in conformity with the provisions of such Ordinance; and it is recommended that this same provision should be made clearly to apply not only to land, but to buildings, so that if any non-conforming use in a building is discontinued, thereafter any future use of such building shall be in conformity with the provisions of the General Zoning Ordinance.

That at such meeting any and all persons having any interest in the matter may appear and be heard.

Dated: February 3, 1938.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use *Doan's Pills*. They have had more than forty years of public approval. Are endorsed the country over. Insist on *Doan's*. Sold at all drug stores.

"FOUNDATIONS OF CULTURE" SERIES STARTS THURSDAY

Chaffey People's College To Present Outstanding Personalities and Music

National, state and local problems; symphonies, bands and arias; farming, fishing and frauds are the basis for the series of free Thursday evening programs entitled "Foundations of Culture," being offered at the Chaffey People's college, starting Feb. 17 and continuing until May 12. The complete series will include seven speakers, and five musical evenings, arranged by Chaffey vocal and instrumental organizations.

First speaker will be Arthur Kallet, co-author of "100,000,000 Guinea Pigs," which reveals frauds of the food, drug and sundries industries, who will talk next Thursday in the Merton Hill auditorium at the Chaffey junior college, at 8 p. m.

The next lecturer will be S. G. Rubinow, from Berkeley, who is head of the publicity department of the California Farm Bureau Federation. He will give his answer to the question, "The Farm Problem: What Is It?"

The first musical program will be given by the Chaffey band, under the direction of Murray Owen, on March 3. Gordon Whitnall, member of the American City Planning Institute, will be the third speaker, discussing the topic of "Chaos or Planning in City Development?" Mr. Whitnall has taken an active part in answering this question in Los Angeles, and is at present president of the city planning association.

State problems will come to the fore on March 17, when Harry B. Riley, state controller since January, 1937, reviews "Our Present State Situation."

Ralph Streano will lead the Chaffey Symphonic orchestra in its third local appearance of the year on March 24. Developing the broader outlook on government and administrative policy, W. S. Myers will lecture on "Our Present National Situation," on the evening of March 31.

The combined high school girls and boys glee clubs will offer the program on April 7, under the direction of Mrs. Florence Hill Blakeslee. After the spring vacation, the Chaffey theatre orchestra, lead by Murray Owen, will present another evening of music. This group is well known for its many appearances at evening affairs and other entertainments.

Geoffrey Morgan will make his 27th appearance at Chaffey when he speaks on "Commerce and Culture" on April 28. Mr. Morgan is an assemblyman in the state legislature.

Followers of Isaac Walton will have their evening on May 5, when Roy L. Haslett will give some of the finer points in "The Art of Angling."

The series will conclude with the first public appearance of the Chaffey Philharmonic orchestra, with Ralph Streano conducting. This group of 90 musicians gives promise of becoming one of the outstanding community orchestras of the district and is steadily gaining in membership and popularity.

Geology Class To Make Second Field Trip to Gold Mine

Second scheduled field trip of the geology class at Chaffey People's college, under Russell Dysart, will be taken this Sunday, according to an announcement made by the instructor today. Evening class meetings were discontinued in this department several weeks ago, but arrangements made for this trip will stand.

All former members of the class, and any other residents of the Chaffey district are urged by Mr. Dysart to meet at the main intersection of Victorville at 9:30 a. m. Sunday, weather permitting. From there the party will proceed to one of the richest mineral deposits in this region, near the Sidewinder gold mine, halfway between Victorville and Barstow.

Here the geologists will inspect the very antique quarry, from which is obtained satin spar and magnetite, as well as verd antique. This mineral is rarely found in any of the western United States, most of it being obtained in Vermont. It takes an exceptionally high polish, belonging to the marble group of rocks, is a handsome shade of green, and much prized for use in making table tops and other ornamental stone objects.

Mr. Dysart has been assisted in making the preparations for this trip by Charles Rankin, enthusiastic amateur geologist, who is well acquainted with the minerals and other formations in this region. This will be the last meeting of the geology group of the People's College.

Cucamonga-Alta Loma

Founders Day Observed

An impressive Founders day service, an interesting address and the election of a nominating committee featured the meeting of the Alta Loma Parent-Teacher association held Tuesday in the school auditorium, with Mrs. Clifford Beekman presiding.

During the business session the members voted to appropriate part of the P.-T. A. funds for use in immediate welfare work.

The nominating committee selected includes Mrs. Harry M. Wright, chairman; Mrs. Emory M. Markow, Mrs. Claude McKee, Mrs. E. J. Statom and Mrs. Margaret Cantley. The election of officers will be held at the March meeting.

In honoring the founders of P.-T. A., the committee in charge elected also to honor the four presidents who have served the local association since its organization four years ago.

Mrs. Cantley, principal of the school, posing as the "spirit of education," opened the candle lighting ceremony with appropriate remarks as she lighted the first candle. Following in the order named, four pupils, Marjorie Brandt, Vera Engle, Mary Elma Henderson and Dorothy Henderson, lighted candles in honor of the past presidents, Mrs. Harold Cady, who is now living in Hawaii; Mrs. Harry M. Wright and Mrs. Joe G. Crick, who served in the order named, and for the present president, Mrs. Clifford Beekman, for whom a gold candle was lighted, the other candles being white ones.

With Mrs. Wright as the auctioneer, a large birthday cake was sold at Dutch auction and the proceeds were given to the Founders fund.

The program speaker was Miss Helen Brown of the Chaffey faculty, who gave a most interesting address on child mental hygiene.

The meeting closed with a social hour and refreshments were served. Mothers of the fourth grade were hostesses, with Mrs. John McKee serving as chairman.

T. N. T. Club Entertained

Mr. and Mrs. Edmund Hogancamp were hosts to members of the T. N. T. club Wednesday evening, entertaining their guests at their home on LeVine street, Alta Loma.

The favored game for the evening was 500 and at the conclusion of the tourney high score prize was awarded to Mr. and Mrs. Arthur Allen, while Mr. and Mrs. Thomas Monkman received second prize.

The party was concluded with the serving of refreshments.

Guests of Mr. and Mrs. Hogencamp were Mr. and Mrs. Fred Owings, Mr. and Mrs. Ray Lawyer, Mr. and Mrs. William Clayton, Mr. and Mrs. Harry M. Wright, Mr. and Mrs. G. A. Billings, Mr. and Mrs. Arthur Allen and Mr. and Mrs. Thomas Monkman.

UPLAND GROWERS RUN WILD TO WIN

Lemon Five Scores 52 Points To Take Firm Hold On Third Position

Upland Lemon Growers won another Industrial league battle down in the Chaffey gym last night when they trounced the Davis ranch five 52 to 30 for the highest score of the three games played. As a result, the local quintet clinched a tighter hold on third place.

With a well balanced team now composed of plenty of height with the addition of Lewis Fuller, former Chaffey high star, to the squad, the boys went on a wild scoring spree. While they were taking turns slipping the ball through the hoop Stanley of Davis ranch captured the evening honors by ringing up 2- points.

Other results were: Torch club, 41; Gilmore Lions, 34. In this contest, Wattenbarger and Pinney, opposing centers, scored 17 points each. O. U. Cleaners, 45; Ontario post office, 28. Cobb, Cleaner center, rang up 15 digits against the mail men.

At the present time, the Exchange Orange Products are leading the league with five wins and no losses. O. U. Cleaners are in second position with one loss out of five, while the Upland bunch has won five out of seven.

Leo Wadsworth, director of C. M. A., announced that a volley ball league will be formed Monday night for the men, and possibly for the women of the community if enough respond.

CHARLES E. TYLER IS LAID TO REST

Well Known Resident Passes Away at Home—Funeral Is Held Today

Following an illness of more than three weeks, Charles Edson Tyler, well known resident of Upland for the past 17 years, passed away shortly before midnight on Tuesday, Feb. 8, at his home, 509 Pine street, his death bringing sorrow to a large number of friends.

A native of Iona, Iowa, Mr. Tyler was 68 years old. With his family he came to Upland from Salem, S. Dak., 17 years ago and engaged in the wholesale grain business.

Although of a quiet, retiring nature, Mr. Tyler was actively interested in the welfare of his community and always was ready to aid in any movement for the good of his fellow citizens. Mr. Tyler met life gallantly, with a zest and faith that were contagious, and his kindly manner and friendliness won him many personal friends.

Surviving Mr. Tyler are his wife and his son and daughter-in-law, Mr. and Mrs. George Tyler of Fullerton.

He was a member of the Upland Methodist church and the funeral service was held at the church at 10 o'clock this morning. with the pastor, the Rev. Paul F. Huebner, officiating.

Music for the service was provided by Mrs. Howard T. Mitchell, who sang "Lead Kindly Light" and "Jesus Savior Pilot Me." Mrs. Fannie Gay was accompanist.

Many friends gathered at the church for the final rites and they brought a great many beautiful flowers as tributes to his memory and as expressions of sympathy for the bereaved family.

Pallbearers were long time friends, H. P. Lee of Pomona; F. B. Harn, Walter W. Horak, Thos. W. Harris, G. T. Redmon and C. B. Booth.

Entombment took place in the mausoleum in Bellevue cemetery.

Cucamonga No. 3—Jesse J. Cox, delegate; Mrs. Miriam Puffer, alternate.

Cucamonga No. 4—Lillyan G. Bishop, delegate; William Cooper, alternate.

Mountain View — Paul Hofer, delegate; Mrs. Jessie M. Stock, alternate.

H. I. deBerard and Ray R. Ford were elected delegates at large and Mrs. A. C. Beattie and Nelson Van Fleet alternates.

A meeting of Republicans was held in the auditorium of the Central school at Cucamonga Wednesday night to choose delegates to the "grass roots" convention of this area to be held in Riverside on April 23. Most Republicans of the district voted and the community will be represented at the important party meeting in Riverside.

D. F. Dunster, field representative, and Grant Holcomb, president of the county Republican central committee, were present at the Cucamonga meeting.

Delegates and alternates were chosen by post card ballot and the following were elected: Alta Loma No. 1—Arthur Ralph, delegate; Mrs. Krysto, alternate.

Mrs. O. W. Freeman Of Cucamonga Is Called by Death

Mrs. O. W. Freeman, widely known resident of Cucamonga, passed away Tuesday evening at 6:45 at the home of her son, Frank J. Freeman, 452 North Archibald avenue, Cucamonga, where she had been ill of pneumonia for a week.

A native of Mt. Washington, Ohio, Mrs. Freeman came to California and to Cucamonga 33 years ago and she and Mr. Freeman established a home on their orange grove, 478 Archibald avenue. Mr. Freeman passed away a number of years ago and she continued to reside in the family home, with her son, Roy, whose death occurred recently. Since then Mrs. Freeman has spent part of her time at the home of her son and daughter-in-law, Mr. and Mrs. Frank Freeman.

Mrs. Freeman, one of the best loved women in her community, was 86 years old, but despite her advanced age she remained interested in church and club work. She had been an active member of the Cucamonga Community church for many years and she was the only charter member of the Cucamonga-Alta Loma Woman's club with a record of continuous membership. She was the club's first vice-president, being elected when the club was organized in 1908, and since that time she had been active in the club, doing a great deal of committee work and taking her turn at entertaining, even during the present club year.

Mrs. Freeman leaves a daughter, Mrs. Ray R. Ford, and son, Frank J. Freeman, both of Cucamonga; a sister, Mrs. Annie M. Jewell of West Liberty, Ohio, and a grandson, Robert Ford. A sister-in-law, Mrs. L. H. Gilcrist of Cottage Grove, Ore., who had planned to visit with Mrs. Freeman, reached Cucamonga shortly after her death.

Funeral service was held at 2:30 Thursday afternoon at Draper's Ontario chapel, with the Rev. Wm. A. Tieck, pastor of the Cucamonga Community church, officiating, and a large number of friends were present for the final rites.

Music for the service was provided by Mrs. Chas. P. Shaffer and Miss Kathleen Beckley, who sang "Under His Wing" and "No Night There."

Pallbearers were Geo. E. Keyes, H. W. Powelson, A. C. Beattie, O. P. Whitney, Arthur Capen and John Rupp. Interment occurred in Bellevue cemetery.

Campus Clubs Hold Semester Elections

Two Chaffey high organizations, the Commercial club and the Taste-and-Baste group, held elections and had entertaining programs in their meetings Tuesday morning.

Belle Davis, Upland, was elected secretary of the Taste-and-Baste. Other officers are Secondina Pastrone, president; Elizabeth Sanchez, vice-president, and Joyce Lee, treasurer.

Joyce Schmidt won the president's seat in the Commercial club; Helen Davis, vice-president; Velma Wolfe, secretary, and Florence Dorning, treasurer, were also chosen to their respective offices.

Berries! Berries!

PLANT THEM NOW

BOYSENBERRY

One vine of Boysenberry will give you more fruit than can be grown on any other berry plant. The largest of all berries and unexcelled for all purposes—eating fresh, preserves, pies. Must have a trellis and room to grow.

YOUNGBERRY

Many housewives still swear by the Youngberry, which is similar to Boysen but smaller and ripening a few days earlier. It is still a good berry.

KOSMO

Just as good for preserves and pies as the above two, being a little sweeter. Bears very heavy crops in this vicinity.

PURPLE RASPBERRIES

We do not recommend Red Raspberries in this vicinity unless you wish to give them much care. Purple Raspberries grow easier, have plenty of fruit, and are delicious to eat fresh and for other home purposes. A hybrid between Red and Black Raspberries.

STRAWBERRIES

The No. 1 Strawberry for this section is the BLAKEMORE, big fine berries, red inside and out, with fine large foliage which protects the berries from the summer sun. The second choice is DORSETT, with even larger berries, producing two crops per season. For late berries after the other two are gone, plant PROGRESSIVE, and for the latest novelty try ROCKHILL.
